Principal's Message

Our staff, students, and parents work together to provide a positive learning environment that supports academic and social growth for all students. The foundation of our school is in the relationships we build between teachers, students, and their families. Our Advisory program, which meets everyday, is geared towards understanding and supporting students with "readiness to learn", and targeting student specific interventions to meet individual student needs.

Our Mission

Our mission is to provide a safe, supportive environment that fosters positive behavior, personal responsibility and academic growth while addressing individual student needs.

Cache Creek High School (CCHS) provides tiered interventions academically, and has a robust Positive Behavior Interventions and Support (PBIS) program. The school-wide focus is for students to be "Present, Positive, Productive, and Reflective."

Community and District Profile

Woodland is located in Yolo County and has a rich heritage of community spirit and neighborly charm. With a population of more than 56,000 people, the city is situated twenty miles from downtown Sacramento and 85 miles from San Francisco. Woodland Joint Unified School District includes seven preschools, eleven elementary schools, one charter elementary school, two middle schools, two comprehensive senior high schools, a continuation high school, and an adult school, and served approximately 9,636 students in the 2019-20 school year.

Cache Creek High School is WJUSD's continuation high school and serves students who may not be meeting graduation requirements in the traditional high school setting. The school operates on a traditional calendar, with an average of approximately 150 students enrolled in grades eleven and twelve. Enrollment fluctuates throughout the school year and the school typically doubles the October enrollment number reported to the CDE. Enrollment was 130 students for 2019-2020.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Woodland Joint Unified School District held a Public Hearing on October 8, 2020 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams versus the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in September 2020, regarding textbooks in use during the 2020-2021 school year.

School Facility Conditions and Planned Improvements (Most Recent Year)

Cache Creek High School, originally constructed in 1926, offers a safe and secure campus for students, staff, and visitors. The school is currently comprised of 9 classrooms, a cafeteria, library and office. Four of the classrooms are portable buildings. Facility information is current as of September 22, 2020.

Cleaning Process

The principal works daily with the custodial staff to ensure regular and continual maintenance of the school's physical environment.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs. At time of publication 100% of restrooms on campus were in working order.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	0	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement

The school district benefits from extensive support from parents and community members. Cache Creek High School is happy to provide opportunities for parents to be involved in our school. These opportunities include classroom and project volunteers, English Learner Advisory Committee (ELAC), School Site Council (SSC), Thanksgiving Luncheon, and the Spring Festival.

Cache Creek also places heavy emphasis on student involvement and voice, most importantly, with school-wide decision making. CCHS staff rely on students in the School Site Council to help make meaning of students' academic and socioemotional needs. Student surveys provide feedback on various aspects of our school, and help us to tailor our program to best fit the interests of students. Students also serve as student board members for the WJUSD Board of Trustees meetings.

Parents are welcomed and encouraged to stop by CCHS to meet with office staff, counselor, teachers and the Principal to discuss their student's progress and to be a positive influence in their student's education. Our staff recognizes that parent involvement is one of the most important elements of school climate and the school encourages parental involvement in all elements of the education process.

Parents are also encouraged to participate in community forums at the district level and are able to attend Community and Family Engagement (CAFE).

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students is a priority of the school staff. Students are supervised throughout the day by teachers. Visitors to the school must check in at the office and wear a visitor's badge while on campus.

Cache Creek High School's Site Safety Plan is revised each year by the School Site Council, which consists of the principal, teachers, other staff, parents, and students. Key elements of the Safety Plan include student safety, school climate, and emergency preparedness. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. Emergency drills are conducted twice a year. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available. The safety plan was last reviewed with staff and approved by School Site Council in March 2020.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	20.5	18.4	6.0	5.7	3.5	3.5
Expulsions	0.4	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

Woodland Joint Unified School District provides time and resources for collaboration, planning, and professional development for all staff. Teachers at each school receive training directly related to curriculum and instruction by attending workshops and conferences that are approved by the district and administration. Staff development days enable staff members to deliver curriculum and instruction that is rigorous, challenging, and responsive to student needs. The development of a common district-wide instructional focus is allowing entry point for everyone to learn and stretch their practice. The focus of professional development has shifted to provide job-embedded coaching across multiple content areas to build capacity and focus on strengthening application of instructional strategies.

Woodland Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. During the school year and summer, staff have opportunities to complete professional development learning episodes and time to implement best practices learned. The professional growth occurring in Woodland Joint Unified School District has a heavy emphasis on collaboration with time reserved weekly for staff collaboration by sites in grade level or departmental teams under the direction of site administrators. Examples of recent Woodland Joint Unified School District professional learning include:

- Balanced Literacy and Guided Reading through Accelerated Literacy Learning, TK-6
- UC Davis Math Project: Focus on Conceptual Understanding, TK-12
- Ethnic Studies with the Acosta Group, Preschool-12
- UC Davis History Project: Understanding the History/Social Science Framework, TK-12
- Restorative Practices, TK-12
- Innovator Cohort: Google certification classes for teachers
- Universal Design for Learning (7-12)
- English Learner Shadowing (7-12)

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
