### Principal's Message

At Lee Middle School, we are committed to supporting your children in their intellectual and social development during their early adolescent years. The content of our classes focuses on the Common Core State Standards (CCSS) and the Next Generation Science Standards (NGSS), and provides opportunities for individual and whole group instruction, as well as academic intervention. The culture of our school reflects a commitment to working together with parents, students, and our community to ensure all of our students meet their full academic and personal potential. In addition to a rigorous academic program, our school makes available for students a wide array of school-sponsored clubs, sports and activities. We offer a structured learning environment that encourages safe and respectful interactions among students and between students and adults. Taking advantage of these opportunities can help your children develop confidence, independence, and interdependence within a community.

Lee Middle School Mission Statement: Through establishing staff collaboration, building positive relationships, and setting high expectations, we will ensure every student succeeds at something productive and valuable to both the student and the school community.

### District Profile

Woodland is located in Yolo County and has a rich heritage of community spirit and neighborly charm. With a population of more than 56,000 people, the town is situated twenty miles from downtown Sacramento and 85 miles from San Francisco. Woodland Joint Unified School District includes seven preschools, eleven elementary schools, one charter elementary school, two middle schools, two comprehensive senior high schools, a continuation high school, and an adult school, and served approximately 9,636 students in the 2019-20 school year.

Lee Middle School operates on a traditional calendar, and in 2019-2020, 632 students were enrolled in grades seven and eight.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	1

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.  
\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Woodland Joint Unified School District held a Public Hearing on October 8, 2020 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams versus the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in September 2020, regarding textbooks in use during the 2020-2021 school year.

#### Textbooks and Instructional Materials

### School Facility Conditions and Planned Improvements (Most Recent Year)

Originally constructed in 1954, Lee Middle School offers a safe and secure campus for students, staff, and visitors. The school is currently comprised of 48 classrooms, one library, one cafeteria, one staff room, one gym, and one multipurpose room. Facility information is current as of September 25, 2020.

#### Cleaning Process

The Principal works daily with the custodial staff to ensure regular and continual maintenance of the school's physical environment.

#### Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs. At the time of publication, 100% of restrooms on campus were in working order.

During the summer of 2019, the majority of the school's HVAC system was replaced and new equipment was installed in the CTE areas.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	32	N/A	43	N/A	50	N/A
Math	23	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement

The school district benefits from extensive support from parents and community members. Lee Middle School is proud of its many opportunities for parents to be involved in our school. These opportunities include classroom and project volunteers, field trip chaperones, fund raising, English Learner Advisory Committee (ELAC), Lee Boosters, Woodland Middle School Music Boosters and School Site Council (SSC) membership. In addition, Lee provides a myriad of opportunities for parents to get involved through Parent Information Nights, Back to School Night and Open House, Science Night, AVID and Dual Immersion Family Nights and much more! Lee Middle School also benefits from partnerships with the Woodland Chamber of Commerce, the Rotary Club, Friends of the Mondavi Center, and AAUW. Student voice is gathered through student participation on committees and School Site Council, listening circles conducted by the LMS administrative team, surveys, class visits, and Principal's Advisory Council meetings.

#### Contact Information

Parents who wish to participate in Lee Middle School's leadership teams, school committees, or become a volunteer may contact the school office at (530) 662-0251 and get more information. The district's Web site ([www.wjusd.org](http://www.wjusd.org)) provides a variety of resources for parents, students and community members. Parents are also encouraged to participate in community forums at the district level and are able to attend Community and Family Engagement (CAFE).

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

Safety of students is a priority of the school staff. Students are supervised throughout the day by teachers, administration, campus security, custodians, and paraprofessionals. Visitors to the school must check in at the office and wear a visitor's badge while on campus.

Lee Middle School's Site Safety Plan is revised each year, presented to the School Site Council, and approved by the School Site Council, which consists of administrators, staff members, students and parents. Key elements of the Safety Plan include student safety, school climate/culture, and emergency preparedness. The Safety Plan was last updated and approved at our Site Council Meeting on February 27th, 2020.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. Emergency drills are conducted on a regular basis throughout the school year, including quarterly fire evacuations and annual intruder and disaster drills. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available. The current year's safety plan is undergoing key revisions that will contribute to an even safer school environment.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	13.0	11.5	6.0	5.7	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

Woodland Joint Unified School District provides time and resources for collaboration, planning, and professional development for all staff. Teachers at each school receive training directly related to curriculum and instruction by attending workshops and conferences that are approved by the district and administration. Staff development days enable staff members to deliver curriculum and instruction that is rigorous, challenging, and responsive to student needs. The development of a common district-wide instructional focus is allowing entry point for everyone to learn and stretch their practice. The focus of professional development has shifted to provide job-embedded coaching across multiple content areas to build capacity and focus on strengthening application of instructional strategies.

Woodland Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. During the school year and summer, staff have opportunities to complete professional development learning episodes and time to implement best practices learned. The professional growth occurring in Woodland Joint Unified School District has a heavy emphasis on collaboration with time reserved weekly for staff collaboration by sites in grade level or departmental teams under the direction of site administrators. Examples of recent Woodland Joint Unified School District professional learning include:

- Balanced Literacy and Guided Reading through Accelerated Literacy Learning, TK-6
- UC Davis Math Project: Focus on Conceptual Understanding, TK-12
- Ethnic Studies with the Acosta Group, Preschool-12
