IMPORTANT UPDATE

5 Days of In-Person Instruction for Grades 7-12

4/15/2021

We are pleased to announce that on Wednesday, April 7, 2021, the Woodland Joint Unified School District (WJUSD) School Board of Education approved a resolution to modify the Phase 3: Hybrid Instructional Model allowing secondary students in Grades 7-12 to attend 5 days of in-person instruction. This modified Phase 3 schedule will begin on April 28, 2021 and secondary students will now be able to attend in-person every day of the week (Monday, Tuesday, Wednesday, Thursday, Friday). Please note that this modified instructional model will only impact all secondary schools in Grades 7-12.

The resolution did not include any changes for elementary schools. All Elementary Schools will continue to offer in-person instruction for 4 days a week (Monday, Tuesday, Thursday, Friday). Wednesday will continue to be virtual for all elementary students.

In order to prepare for this modification, Secondary School staff and administration will be working closely together to ensure that all students continue to receive quality instruction in a safe and healthy environment with the appropriate safety and health precautions in place. If you have any questions or need of clarification, please reach out to your school principal. We thank you for your continued support and flexibility as we continue toward a full and successful school reopening.
