| <p>51. Spring Lake Elementary: the below reasons were submitted (8)</p> <ul style="list-style-type: none"> - It's related to the neighborhood and is what most people have been calling the school - It's more appropriate to name it after the neighborhood where it's located (and largely paid for, by Spring Lake residents). - Springlake STEAM Elementary, the School is located in the Springlake area. Springlake, historical farming and nature-related to this geographical area - Spring Lake School, This of course is where it is located in Woodland. Don't know where others schools are because there name has nothing to do w/area they are in. - It's in the neighborhood! |
