## **NEWS RELEASE**

**FOR IMMEDIATE RELEASE**

**May 23, 2017**

### **WJUSD Asks for Community's Help to Name the New STEAM School**

WOODLAND, Calif. – Woodland Joint Unified School District (WJUSD) is currently accepting submissions/ideas for the name of the new elementary school that will open for the 2018-19 school year.

Instruction at the new school will center on STEAM topics – Science, Technology, Engineering, Art and Math. Name submissions should relate to individuals, living or deceased, who have made significant contributions in the areas of STEAM - locally, statewide, nationally or internationally.

"Planning and opening a new school is such an amazing opportunity for our District and the community," said Robyn Miller, principal of the new school. "It is important that we receive ideas from students, teachers, support staff, parents and community members because it establishes the collaborative approach that we will use in teaching students and engaging families once the school opens."

The District invites students, staff and community members to submit their ideas at [www.wjUSD.org/newschool/](http://www.wjUSD.org/newschool/). Community members can also mail or drop off ideas to WJUSD at 435 6<sup>th</sup> Street, Woodland, Ca 95695. Submissions are due by 5 p.m. on Tuesday, June 6.

The Program Committee for the new school will review all submissions and make a recommendation for approval by the WJUSD Board of Trustees. For more information about the new school, please visit [www.wjUSD.org/newschool/](http://www.wjUSD.org/newschool/).
