School Site Council Training: powerpoint was shared to train SSC members on the roles and responsibilities of the SSC *Powerpoint attached Amendment - Goal 3.2 in SPSA: Last year in our SPSA we approved use of funds for planning purposes for a new leadership format in which 3 collaboration committees were formed look at MTSS/PBIS, data, and**

instruction. This represents \$18,000. We would like to return to a more traditional leadership

style rather than have 3 committees making decisions separately. At this time, we would like to propose that we change the MTSS/PBIS committee to

implementation of PBIS and use the \$6000 allocated in that line to become a PBIS implementation Rachel moved that we eliminate "committee collaboration MTSS/PBIS" and edit it to state, "PBIS implementation" Brian Ash seconded Vote unanimous aye Motion carried Notification of site council members through email to

remind them of meetings so we can make sure we have a quorum at each meeting. Possibly include members through facetime or "conference call" so we can have a quorum if someone
