

District Report on the Local Control Accountability Plan Goals: *Goal 1*

October 11, 2018
Board of Trustees

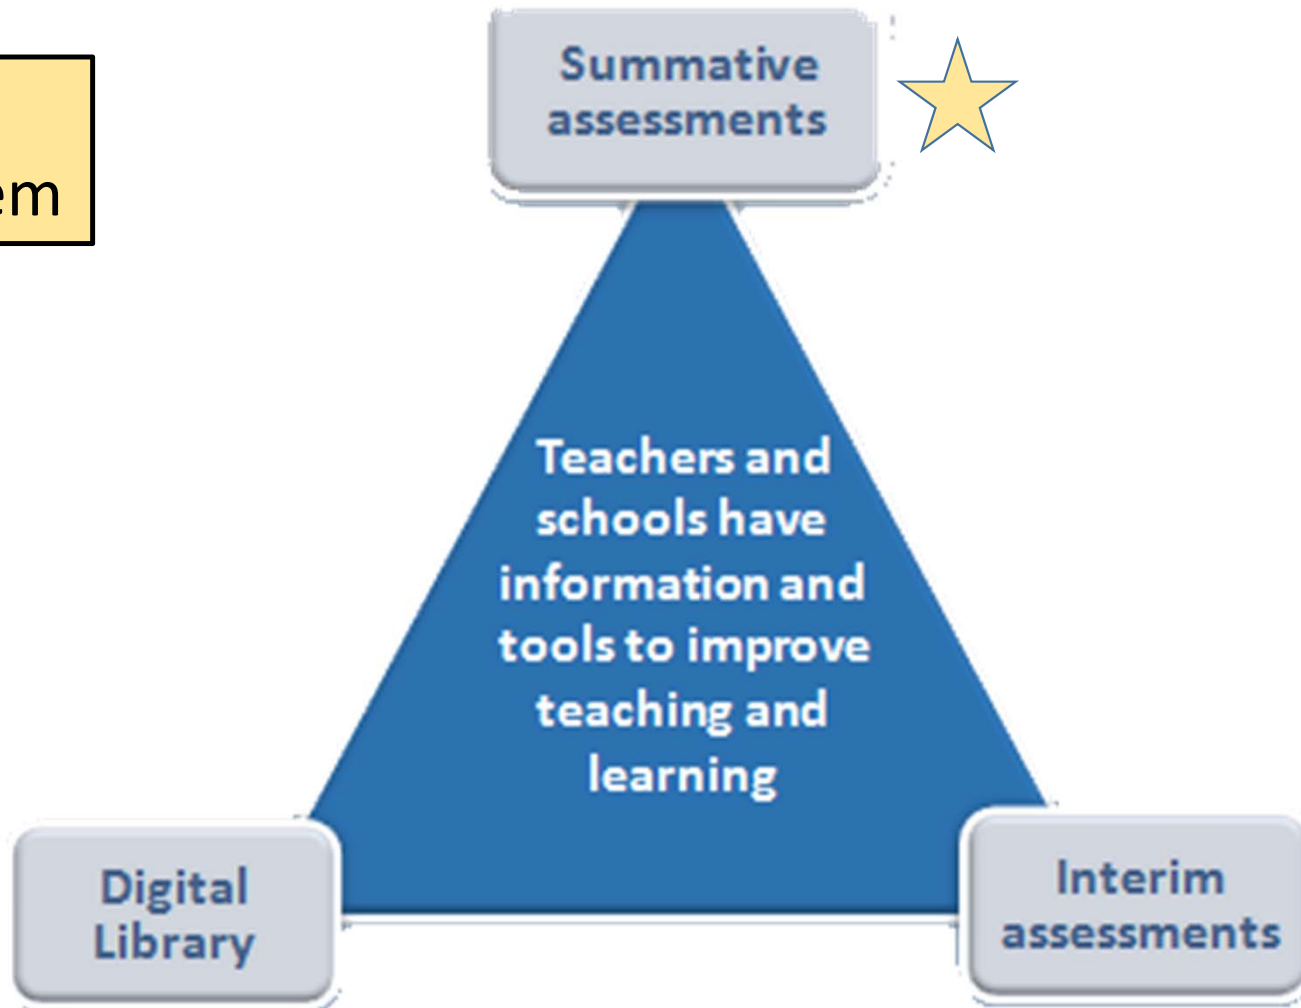

Objectives

- Review key metric for Local Control Accountability Plan (LCAP) Goal 1
- Understand the purpose of the Smarter Balanced Assessment
- Understand how the Data Analysis Protocol is used to support Teaching and Learning
- Review and discuss Smarter Balanced Assessment results for English Language Arts/Literacy and Mathematics
 - All students district-wide
 - Disaggregated by English Learner, Reclassified, and English Only
 - Disaggregated by grade level
 - Performance levels by Smarter Balanced Claim
 - Achievement Gap
- Review and discuss LCAP-supported actions

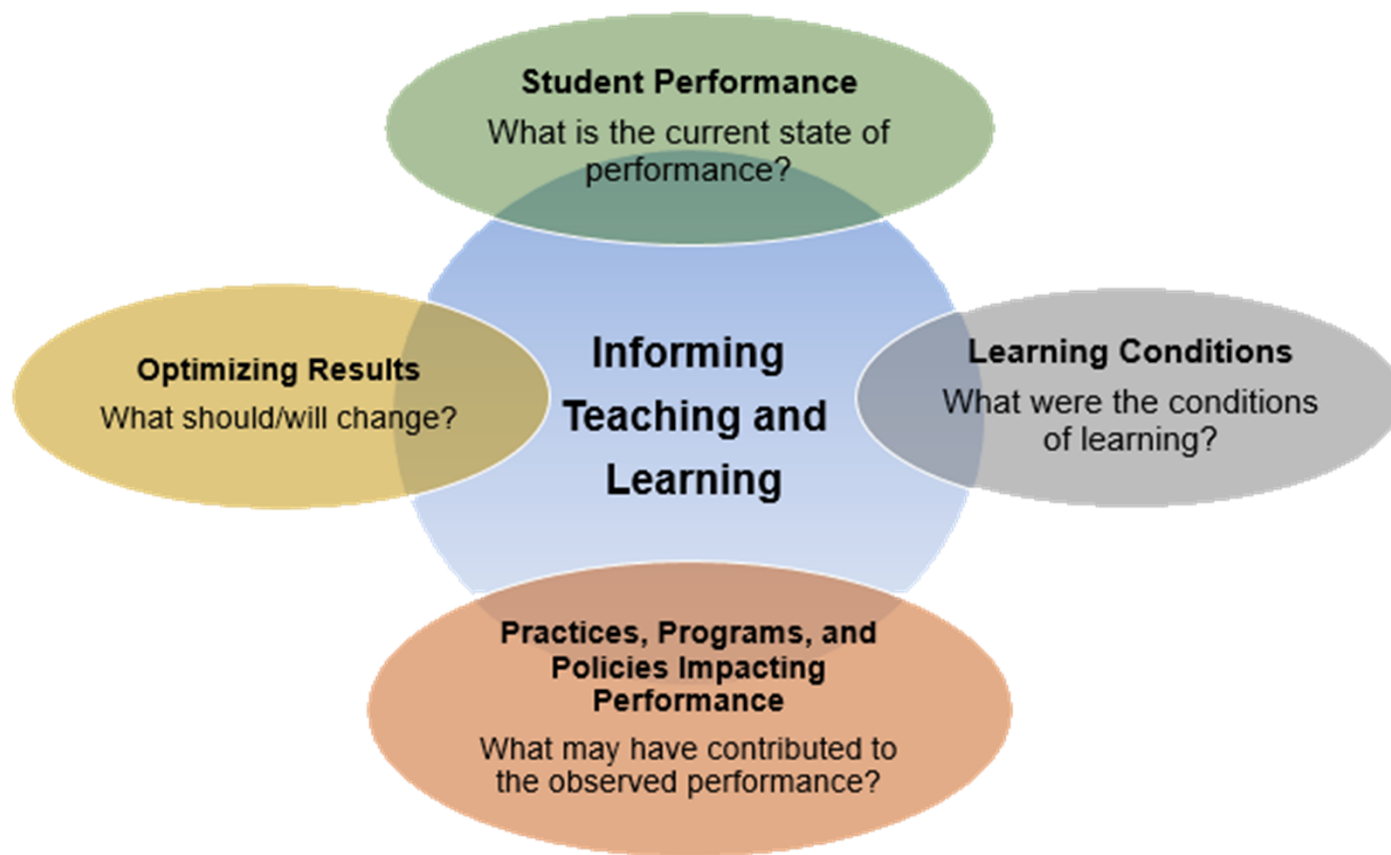

LCAP Goal 1: All students will be proficient in literacy, numeracy, and 21st Century skills through high quality, effective teaching and learning.

Metric/Indicator	Baseline (2015-16 data)	2016-17 (actual)	2017-18 (actual)
<p>Increase percentage of students in both the Meets and Exceeds Standards level on SBAC English Language Arts.</p> <p>Increase percentage of students in both the Meets and Exceeds Standards level on SBAC Math.</p>	<p>ELA: 40% of students were at the Meets and Exceeds Standards level.</p> <p>Math: 28% of students were at the Meets and Exceeds Standards level.</p>	<p>ELA: 38.5% of students were at the Meets and Exceeds Standards level.</p> <p>Math: 27.8% of students were at the Meets and Exceeds Standards level.</p>	<p>ELA: 40.2% of students were at the Meets and Exceeds Standards level.</p> <p>Math: 28.5% of students were at the Meets and Exceeds Standards level.</p>

The Smarter Balanced System

Data Analysis at District and Site Level with the “4 R’s”: Research, Recall, Reflect, and Respond

WJUSD Overall Students

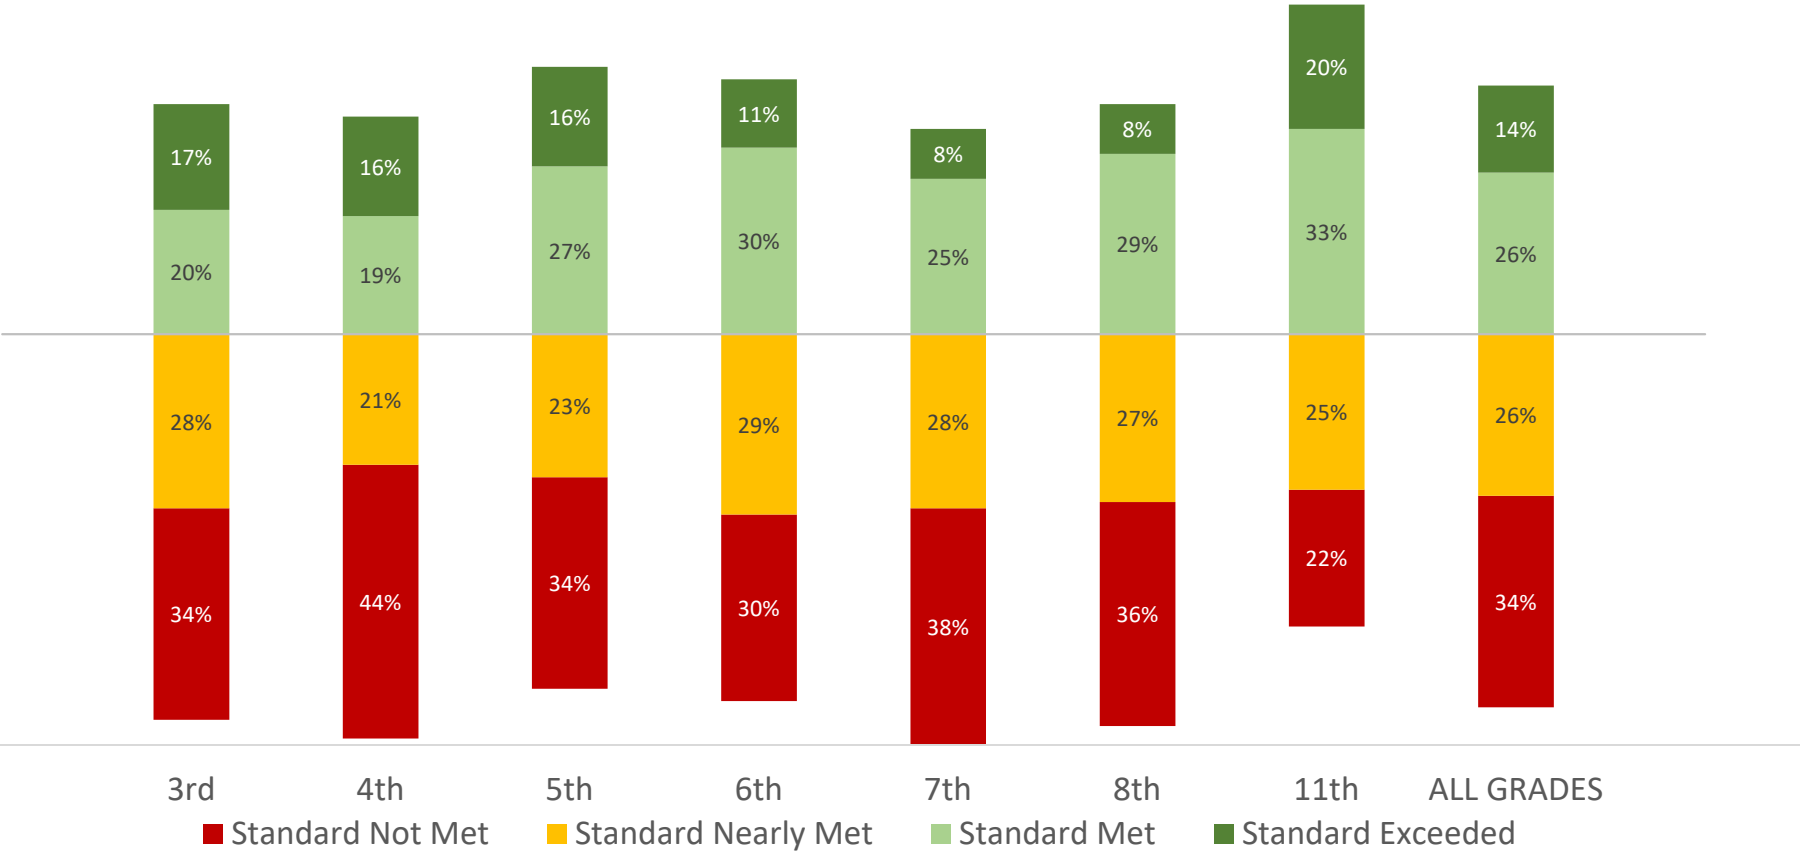

Percent (%) of Students Meeting or Exceeding Standard

% Met or Exceeded Standard	2016		2017		2018	
	English Language Arts/ Literacy (ELA)	Math	English Language Arts/ Literacy (ELA)	Math	English Language Arts/Literacy (ELA)	Math
State of California	48%	37%	48.6% (↑0.6%)	37.6% (↑0.6%)	49.8% (↑1.2%)	38.6% (↑1%)
Yolo	49%	39%	48.0% (↓1.0%)	38.5% (↓0.5%)	49.5% (↑1.5%)	39.6% (↑1.1%)
WJUSD	40%	27%	38.6% (↓1.4%)	27.8% (↑0.8%)	40.2% (↑1.6%)	28.5% (↑.7%)

Performance on SBAC by English Learner Status, All Grades, WJUSD

English Language Arts/Literacy SBAC, by Grade Level (2018), WJUSD

ELA/Literacy Claim Performance: Percent of Students at Each Level, 2018, WJUSD

Achievement Gap

Percent of Students Meeting or Exceeding Standard, ELA 2018, WJUSD

Actions to improve student achievement in English Language Arts

- Professional Development Opportunities (focus on quality first instruction)
 - Balanced Literacy
 - Literacy Across all Content Areas
 - Training in new ELA/ELD adoption for elementary
- Continuing to monitor student progress through curriculum-embedded, diagnostic, and summative assessments
- Pacing guides
- Learning Rounds
- Data Analysis

“For teachers and school leaders to create classroom instruction that is motivating, engaging, integrated, respectful, and intellectually challenging for students, they too should participate in a learning culture that has these same qualities.”

– English Language Arts/English Language Development Framework, 2014, California Department of Education

Math SBAC, by Grade Level (2018), WJUSD

Math Claim Performance: Percent of Students at Each Level, 2018, WJUSD

Achievement Gap

Percent of Students Meeting or Exceeding Standard, Mathematics 2018, WJUSD

Actions to improve student achievement in Mathematics

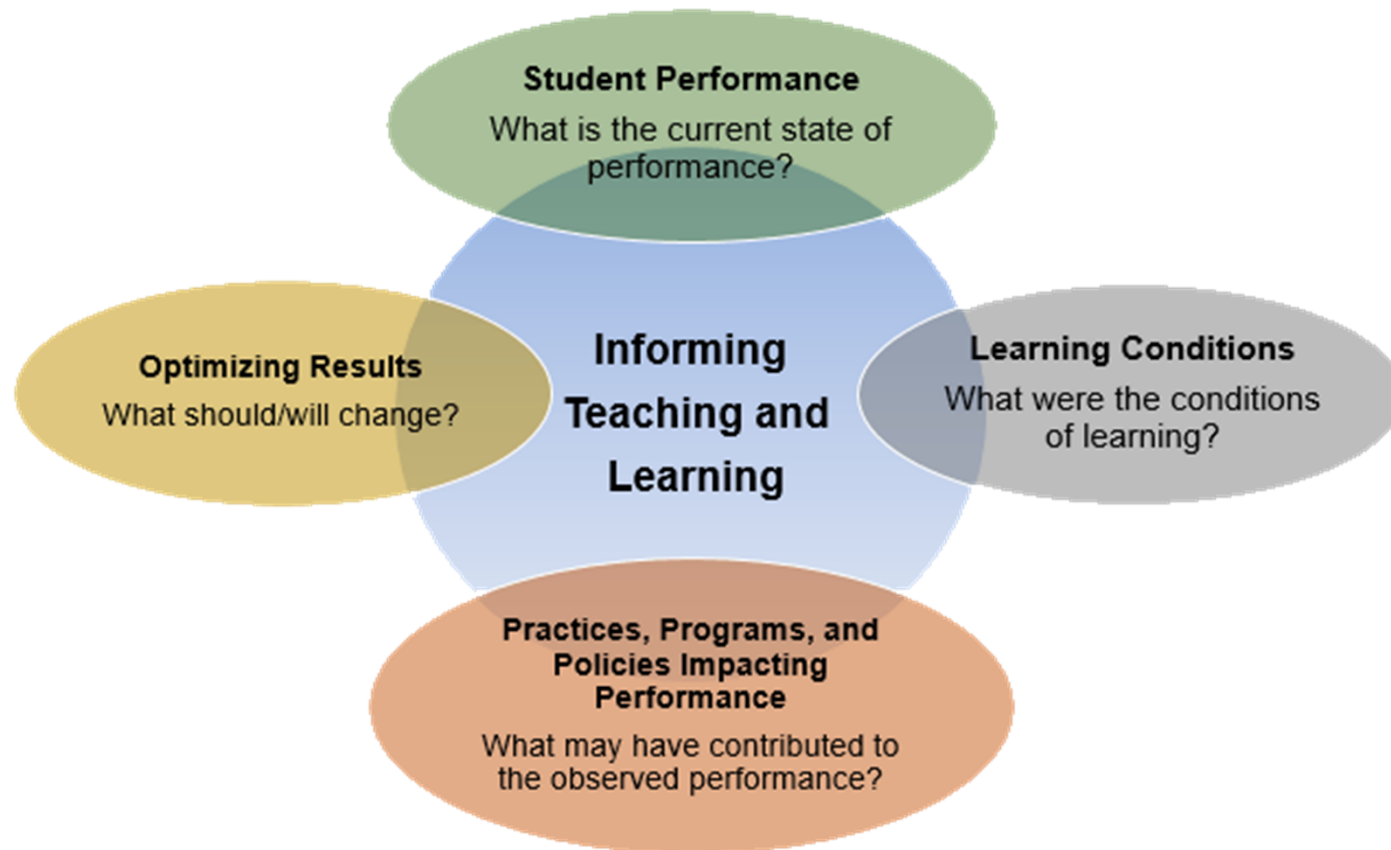

- Professional Development Opportunities (focus on quality first instruction)
 - Mathematical Practices and Number Talks K-12
- Continuing to monitor student progress through curriculum-embedded, diagnostic, and summative assessments
- Pacing guides
- Learning Rounds
- Data Analysis

What is a number talk?

“...classroom conversations around purposefully crafted computation problems that are solved mentally. The problems in a number talk are designed to elicit specific strategies that focus on number relationships and number theory...”

– Parrish (2010), quoted in Mathematics Framework, 2014, California Department of Education
