Review: Christina welcomed committee members and shared that our last committee meeting happened in January 2020. A brief detail was given of the process the school district has gone through with COVID-19 and the new LCP document. Change to LCAP format: This school year we were to start the new format for the LCAP which only had 3 Goals but with the pandemic the school district had to make a new document that was provided by the state. The new document is called the Learning Continuity and Attendance Plan Template. The initials are also LCAP but to not cause confusion it has been called LCP. LCP PowerPoint: Christina went over the PowerPoint with the committee to explain what the new document is and what it will cover. Committee members were emailed a copy of the PowerPoint, LCP Document, and the link to a survey form. <p>III. <u>Adjournment:</u> The meeting was adjourned at 6:08 pm</p>	<p>Christina Lambie - Executive Director, Educational Services</p>
