Principal's Message

At Plainfield Elementary School, we believe that all children have the capacity for greatness. It is our job to provide the best environment and guidance to ensure their success every step of the way. We look forward to working with our students and families each year as we continue to improve and develop our educational program.

Community and District Profile

Woodland is located in Yolo County and has a rich heritage of community spirit and neighborly charm. With a population of more than 56,000 people, the town is situated twenty miles from downtown Sacramento and 85 miles from San Francisco. Woodland Joint Unified School District includes seven preschools, eleven elementary schools, one charter elementary school, two middle schools, two comprehensive senior high schools, a continuation high school, and an adult school, and served approximately 9,782 students in the 2018-2019 school year..

Plainfield Elementary School is a traditional elementary school with a focus on agricultural and environmental sciences. The school operates on a traditional calendar, and during the 2018-2019 school year, 351 students were enrolled in grades kindergarten through six.

We are a small school with big expectations! Our vision is to create a safe, yet challenging atmosphere that encourages and motivates students to learn and prepare for their future.

For this to happen, we are committed to the following:

1. Giving students exemplary differentiated instruction that makes effective use of technology
2. Establishing strong partnerships with families and the greater community
3. Monitoring each student's progress throughout the school year
4. Collaborating as a staff and with parents to achieve our goals

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Woodland Joint Unified School District held a Public Hearing on September 26, 2019 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in September 2019, regarding textbooks in use during the 2019-2020 school year.

School Facility Conditions and Planned Improvements (Most Recent Year)

Plainfield Elementary School, originally constructed in 1949, offers a safe and secure campus for students, staff, and visitors. The school is currently comprised of 18 classrooms, one library, one multipurpose room, one staff room, and one playground. Recent modernization includes the addition of a multipurpose building. In the summer of 2005, Plainfield received a grant, through the Pacific Gas & Electric Solar Schools Program, to build a greenhouse. In the summer of 2009, portable classrooms and restrooms were added to the campus to allow room for the absorption of students from another school. This allowed for the creation of a computer lab in one of the permanent classrooms on campus which now serves as an Response to Intervention and Professional Development room during the day and doubles as the After School Education and Safety Office and classroom. Facility information is current as of November 6, 2019.

Cleaning Process

The Principal works daily with the custodial staff to ensure regular and continual maintenance of the school's physical environment.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs. At the time of publication, 100% of restrooms on campus were in working order.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	45	44	40	43	50	50
Math	38	41	29	28	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

The school district benefits from extensive support from parents and community members. Plainfield Elementary School is proud of its many opportunities for parents to volunteer their time. These opportunities include classroom and project volunteers, field trip chaperones, fundraising, parent education, English Learner Advisory Committee (ELAC), Parent Teacher Association (PTA), and School Site Council membership.

Plainfield Elementary School has also benefited from partnerships with: Cache Creek Nature Conservancy, Yolo Basin Foundation, Pacific Gas & Electric, Teichert Foundation, Willows Fire Department, Woodland Schools Foundation, Yolo Lumber, Nugget Market, Raley's, and Costco.

Contact Information

Parents who wish to participate in Plainfield Elementary School's leadership teams, school committees, or become a volunteer may contact the school office at (530) 662-9301. The district's website (www.wjUSD.org) provides a variety of resources for parents, students and community members. Parents can stay abreast of school events by visiting the school's website (<https://plainfield.wjUSD.org/>). Parents are also encouraged to participate in community forums at the district level and are able to attend Community and Family Engagement (CAFE).

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students is a priority of the school staff. Students are supervised throughout the day by teachers and yard supervisors. There is a designated area for student drop-off and pick-up at the school. Visitors to the school must check in at the office.

Plainfield Elementary School's Site Safety Plan is revised each year by the School Site Council, which consists of the principal, teachers, classified staff, and parents. Key elements of the Safety Plan include student safety, school climate, and emergency preparedness.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. Emergency drills are conducted on a regular basis throughout the school year, including fire evacuations and biannual disaster and intruder drills. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available. The safety plan is reviewed annually with staff.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Woodland Joint Unified School District provides time and resources for collaboration, planning, and professional development for all staff. Teachers at each school receive training directly related to curriculum and instruction by attending workshops and conferences that are approved by the district and administration. Staff development days enable staff members to deliver curriculum and instruction that is rigorous, challenging, and responsive to student needs. The development of a common district-wide instructional focus is allowing entry point for everyone to learn and stretch their practice. The focus of professional development has shifted to provide job-embedded coaching across multiple content areas to build capacity and focus on strengthening application of instructional strategies.

Woodland Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. During the school year and summer, staff have opportunities to complete professional development learning episodes and time to implement best practices learned. The professional growth occurring in Woodland Joint Unified School District has a heavy emphasis on collaboration with time reserved weekly for staff collaboration by sites in grade level or departmental teams under the direction of site administrators. Examples of recent Woodland Joint Unified School District professional learning include:

- Balanced Literacy and Guided Reading through Accelerated Literacy Learning, TK-6
- UC Davis Math Project: Focus on Conceptual Understanding, TK-12
- Ethnic Studies with the Acosta Group, Preschool-12
- UC Davis History Project: Understanding the History/Social Science Framework, TK-12
- Restorative Practices, TK-12
- Innovator Cohort: Google certification classes for teachers
- Universal Design for Learning (7-12)
- English Learner Shadowing (7-12)

Types of Services Funded

Woodland Joint Unified School District spent an average of \$9,537 to educate each student (based on 2017-18 audited financial statements).

Woodland Joint Unified School District receives State and federal categorical funding for special programs. For the 2018-2019 school year, the District received State and federal funding for the following categorical, special education, and support programs: ASES, Counseling Grant, Federal Special Education, Federal Vocational and Applied Secondary, Lottery, Agriculture Vocational Grant, Elementary Counseling Grant, Title I, Title II, Title III, Title IV, Low Performing Student Block Grant, Special Ed-State, Medi-Cal, Small Learning Communities, Partnership Academies

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
