About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <u>https://www.cde.ca.gov/ta/ac/sa/</u>.
- For more information about the LCFF or LCAP, see the CDE LCFF web
 page at <u>https://www.cde.ca.gov/fg/aa/lc/</u>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

At Tafoya, we know that a quality education requires a team approach. We invite parents to be an active part of their child's academic, behavioral and social/emotional growth. Parents and teachers communicate on an on-going basis via phone, email, text, and a variety of apps so parents can receive timely information about their child's progress. Formal conferences are held twice a year for teachers to review student assessment data and their progress toward meeting the standards. We are proud to offer many opportunities for parents to volunteer their time. These opportunities include classroom and project volunteers, at-home preparation, sixth-grade promotion, field trip chaperones, fundraising, Hawk assemblies, English Learner Advisory Committee (ELAC), Parent Teacher Association (PTA), and School Site Council membership. Tafoya Elementary School also has partnerships with Woodland Community College, UC Davis tutors, and local businesses. Our Tafoya Parent Involvement team partners with PTA to provide a variety of ways for families to be involved in their child's education including Family Nights, movie nights and parent workshops. Parents are surveyed regarding needs and topics for parent information nights. A part-time parent liaison provides resources and information to parents and is actively involved in promoting communication between school and home.

Contact Information

Parents who wish to participate in Ramon S. Tafoya Elementary School's leadership teams, school committees, or become a volunteer may contact the school office at (530) 666-4324, communicate with their child's classroom teacher or visit our website at www.tafoya.wjusd.org. In addition they may contact the PTA president via the PTA website. The school district website, (www.wjusd.org), provides a variety of resources for parents, students and community members. Parents may also link to our school website from the district website. Parents are also encouraged to participate in community forums at the district level and are able to attend Community and Family Engagement (CAFE).

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students is the top priority of the Tafoya school staff. Students are supervised throughout the day by teachers, noon duty supervisors, classified staff, and administrators. There is a designated area for student drop-off and pickup at the school. Visitors to the school must check in at the office and wear a visitor's badge while on campus. All staff will re-direct any adult not wearing a visitor sticker to the office.

Ramon S. Tafoya Elementary School's Site Safety Plan is reviewed and discussed each year by the School Site Council, which consists of administrators, teachers, classified staff, and parents and is approved the following fall. Safety in general and procedures specifically are discussed at every staff meeting. Key elements of the Safety Plan include student safety, school climate, and emergency preparedness. The WJUSD staff identify areas of need and create the most effective safety procedures and systems possible. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. Emergency drills are conducted on a regular basis throughout the school year, including monthly fire evacuations and disaster drills, which are held three times a year. Additionally, our site will participate in active shooter training (ALICE) this year. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available.
