Principal's Message

Welcome to Woodland Prairie, home of the pumas! Woodland Prairie has a 31-year history of serving children and families in Woodland. We believe in a strong partnership between the home and the school, and we look forward to building those connections with our students and all the adults who help to make them successful. Our youngest pumas can start at 3 years old, and we have 3 distinct preschool programs to serve them, which allows us to find the best match between program and family need. Beginning in Kindergarten, we offer a strong academic program with two distinct strands that run through sixth grade. One strand is a Spanish/English Dual Immersion program for families who wish for their children to become literate in both Spanish and English. The other strand is an English Language Mainstream strand that provides students with excellent preparation for middle school through English language development and strong content area instruction. Additionally, Prairie offers an after-school program for students who meet the criteria, and that program runs for at least 3 hours after classes every day Prairie is in session. We are proud to serve our families, and we deeply appreciate the support they show us every day. We look forward to an excellent year this year!

School Vision

At Woodland Prairie all students will develop the necessary academic, personal, and social skills to become self-directed, life-long learners.

Our school community is committed to providing students with a well-rounded, academically rigorous, standards-based instructional program. In addition to core academics, our program includes the arts and fosters creativity, problem-solving, critical thinking skills, the joy of learning and the development of healthy habits for life.

Students, staff, parents and community members are committed to one another as we work together to maintain a positive, caring, and inclusive learning environment. We encourage responsible citizenship, productivity and collaboration. We affirm our diversity through multicultural education and act in ways that strengthen our community.

School Mission Statement

It is the mission of Woodland Prairie School to educate each student by:

- Working collaboratively to provide a high quality, articulated, standards based instructional program
- Ensuring that every student will continue to advance toward proficiency and beyond in the core academic subjects
- Developing students' ability to work independently and in groups
- Establishing a safe, caring, inclusive school environment
- Providing support systems so that all students will succeed
- Developing home-school connections in support of student learning
- Using data to evaluate/improve school programs and to inform instruction

Woodland Prairie Elementary School operates on a traditional schedule, and during the 2018-19 school year, 760 students were enrolled in grades Transitional Kindergarten through six. WJUSD served approximately 9,782 students in the 2018-2019 school year.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Woodland Joint Unified School District held a Public Hearing on September 26, 2019 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in September 2019, regarding textbooks in use during the 2019-2020 school year.

Textbooks and Instructional Materials

School Facility Conditions and Planned Improvements (Most Recent Year)

Woodland Prairie Elementary School, originally constructed in 1986, offers a safe and secure campus for students, staff, and visitors. The school is currently comprised of 23 classrooms, one library, one multipurpose room, one staff room, and two playgrounds, one computer lab, and two triple wide buildings for a Special Day Class Preschool. Facility information is current as of September 20, 2019.

Cleaning Process

The Principal works daily with the custodial staff to ensure regular and continual maintenance of the school's physical environment.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs. At time of publication 100% of restrooms on campus were in working order.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

| Subject | School 17-18 | School 18-19 | District 17-18 | District 18-19 | State 17-18 | State 18-19 |
|---------|--------------|--------------|----------------|----------------|-------------|-------------|
| ELA | 38 | 44 | 40 | 43 | 50 | 50 |
| Math | 29 | 26 | 29 | 28 | 38 | 39 |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Here at Woodland Prairie we believe our school works better because of the partnerships we form with families and the surrounding community. We know that parent involvement comes as early as the conversations parents have with their children about education before they even start in one of our preschools. We also know that parent involvement comes in many different forms and changes as students grow and develop across their school careers.

We offer several ways for families to get involved with their children's education here at Prairie. Anyone in our school community can become a member of one of our parent groups such as the Parent Teacher Association (PTA) or the English Learner Advisory Council (ELAC). Both groups offer opportunities for volunteering as well as opportunities to take classes or training. Families can also join us for any of our informal events, such as Family Information and Entertainment Nights on the last Tuesday evening of the month, or our Spirit Day Assemblies on the last Friday of the month. If you are interested in working on policy or budgeting, you may be more interested in joining our School Site Council. Even if you are not able to attend these events, you can stay involved by checking our website, registering for the AERIES parent portal and making sure we have your correct contact information so that you receive our weekly phone calls.

Contact Information

Parents who wish to participate in Woodland Prairie Elementary School's leadership teams, school committees, or become a volunteer may contact the school office at (530) 662-2898. The district's website (www.wjUSD.org) provides a variety of resources for parents, students and community members. Parents are also encouraged to participate in community forums at the district level and are able to attend Community and Family Engagement (CAFE).

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students is a priority of the school staff. Students are supervised throughout the day by teachers and noon duty supervisors. There is a designated area for student drop-off and pick-up at the school. A courtesy crew, students from the intermediate grades, assists younger students exiting their cars during the morning drop-off. Visitors to the school must check in at the office and wear a visitor's badge while on campus. We are continuing our efforts to improve the safety of the physical campus. This year we received a gate which allows us to close off access to the park that is adjacent to the school. We are also looking into the possibility of adding a fence around the entire campus to reduce traffic on the school campus after hours.

Woodland Prairie Elementary School's Site Safety Plan is revised each fall by the School Site Council, which consists of administrators, teachers, counselors, classified staff, and parents. Key elements of the Safety Plan include student safety, school climate, and emergency preparedness.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. Emergency drills are conducted on a regular basis throughout the school year, including monthly fire evacuations and annual disaster and intruder drills. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available. The site safety plan was last reviewed in November 2018.

Woodland Joint Unified School District provides time and resources for collaboration, planning, and professional development for all staff. Teachers at each school receive training directly related to curriculum and instruction by attending workshops and conferences that are approved by the district and administration. Staff development days enable staff members to deliver curriculum and instruction that is rigorous, challenging, and responsive to student needs. The development of a common district-wide instructional focus is allowing entry point for everyone to learn and stretch their practice. The focus of professional development has shifted to provide job-embedded coaching across multiple content areas to build capacity and focus on strengthening application of instructional strategies.

Woodland Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. During the school year and summer, staff have opportunities to complete professional development learning episodes and time to implement best practices learned. The professional growth occurring in Woodland Joint Unified School District has a heavy emphasis on collaboration with time reserved weekly for staff collaboration by sites in grade level or departmental teams under the direction of site administrators. Examples of recent Woodland Joint Unified School District professional learning include:

- Balanced Literacy and Guided Reading through Accelerated Literacy Learning, TK-6
- UC Davis Math Project: Focus on Conceptual Understanding, TK-12
- Ethnic Studies with the Acosta Group, Preschool-12
- UC Davis History Project: Understanding the History/Social Science Framework, TK-12
- Restorative Practices, TK-12
