School Description

At Woodland Senior High School, faculty, staff, parents and administration are committed to supporting and providing a safe and caring learning environment for all students. We provide a rigorous, standards-based curriculum and offer Advanced Placement courses in the areas of English, Foreign Language, Mathematics, Science, Social Science and Visual and Performing Arts. All students have the opportunity to enhance their required coursework with classes from our excellent elective programs. Elective classes are offered in Agriculture, Art, Child Development, Clothing, Computers, Drafting, Drama, Home Economics, Journalism, Music, Science, Social Science, Welding, Wood Technology, Construction, Engineering, and World Languages (French and Spanish).

When 9th grade students enter Woodland High School they are separated into 9th Grade Academies. These Smaller Learning Communities (SLC) were developed eight years ago to reduce the transition anxiety that middle school students can feel as they transition to the high school. Each Academy is led by a teacher leader that coordinates the case management of students. Teachers within each Academy share a common prep time in order to collaborate frequently around the needs of their students. By sharing a cohort of students, the larger high school environment becomes personalized. Four years ago we implemented four SLCs for students in grades 10-12: Arts & Communication, Engineering & Industrial Technology, Public Service and Science & Natural Resources. Our vision is to continue developing career pathways in each SLC that will provide students with specialized course offerings that will prepare students for their long term career goals. The successful model of our 9th Grade Academies serves as a guide for how we plan to refine the SLCs to personalize the educational experience of our students. For those students expressing an early interest in pursuing a major or career in Agriculture, there is an Agriculture and Environmental Science Academy embedded in the School of Science and Natural Resources.

To support students with excellence in achievement, we offer academic support through our Community Service Learning Center which is employed with many university students that tutor in the area of their major, a Library/Media Center with three computer labs, study hall after school, online credit recovery courses and many teachers host tutoring sessions in their classrooms before school, at lunch and after school. We work cooperatively with the Yolo County Office of Education, Woodland Community College, University of California, Davis and California State University, Sacramento to offer our students extended and supplemental learning experiences. These experiences are provided as field trips, workshops or programs such as AVID, Puente, EAOP and ETS. We are committed to increasing our number of college and career ready graduates. Our extracurricular activities include athletics in fifteen sports, yearbook, over 20 clubs, and study halls. We are grateful for another five year renewal of our After School Safety and Enrichment for Teens (ASSETs) grant. These funds are utilized to provide intervention and enrichment services to our students outside of the regular school day. The variety of services we provided for the past five years (i.e. after school clubs, community partnerships, community service opportunities, summer field trips, vacation intervention boot camps) demonstrated to the state that we are effectively supporting our students outside of the school day and the funds have been provided again.

School Profile

Woodland is located in Yolo County and has a rich heritage of community spirit and neighborly charm. With a population of more than 56,000 people, the town is situated twenty miles from downtown Sacramento and 85 miles from San Francisco. Woodland Joint Unified School District includes six preschools, eleven elementary schools, one charter elementary school, two middle schools, two comprehensive senior high schools, a continuation high school, and an adult school, and serves more than 10,550 students.

The school operates on a traditional calendar, and during the 2017-18 school year about 1,285 students were enrolled in grades nine through twelve. Students are enrolled in a seven period day with an alternating week block schedule.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2017-18 Student Enrollment by Grade Level			
Grade Level Number of Students			
Grade 9	323		
Grade 10	339		
Grade 11	324		
Grade 12	285		
Ungraded Secondary	14		
Total Enrollment	1,285		

2017-18 Student Enrollment by Group				
Group	Percent of Total Enrollment			
Black or African American	1.2			
American Indian or Alaska Native	0.8			
Asian	3.3			
Filipino	0.2			
Hispanic or Latino	68.6			
Native Hawaiian or Pacific Islander	0.3			
White	23.0			
Socioeconomically Disadvantaged	65.2			
English Learners	9.9			
Students with Disabilities	12.0			
Foster Youth	1.2			

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials					
Woodland Senior High School	16-17	17-18	18-19		
With Full Credential	57	67	57		
Without Full Credential	1	2	5		
Teaching Outside Subject Area of Competence	1	2	5		
Woodland Joint Unified School District	16-17	17-18	18-19		
With Full Credential	*	+	474		
Without Full Credential	+	*	19		
Teaching Outside Subject Area of Competence	+	+	10		

Teacher Misassignments and Vacant Teacher Positions at this School					
Woodland Senior High School	16-17	17-18	18-19		
Teachers of English Learners	0	0	0		
Total Teacher Misassignments	0	0	0		
Vacant Teacher Positions	0	1	0		

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

^{*}Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Woodland Joint Unified School District held a Public Hearing on September 27, 2018 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in September 2018, regarding textbooks in use during the 2018-2019 school year.

	Textbooks and Instructional Materials Year and month in which data were collected: Sep	tember 2018
Core Curriculum Area	Textbooks and Instructional M	aterials/Year of Adoption
Reading/Language Arts	Holt, Rinehart, & Winston Literature & Language Arts Adopted 2002 The textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook:	Yes
Mathematics	Houghton Mifflin Big Ideas Integrated Math I, II, and III Adopted 2016 The textbooks listed are from most recent adoption:	Yes
	Percent of students lacking their own assigned textbook:	0.0%
Science	Benjamin Cummings Adopted 2002 Glencoe Adopted 2004 Holt, Rinehart & Winston Adopted 2001 Houghton Mifflin Adopted 2000 Prentice Hall Adopted 2001 The textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook:	Yes 0.0%
History-Social Science	Glencoe / McGraw Hill Adopted 2000 McDougal Littell Adopted 2000 Prentice Hall Adopted 2006 Pearson Adopted 2008	
	The textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook:	Yes 0.0%

Textbooks and Instructional Materials Year and month in which data were collected: September 2018

	The textbooks listed are from most recent adoption:	Yes		
	Percent of students lacking their own assigned textbook:	0.0%		

School Facility Conditions and Planned Improvements (Most Recent Year)

Woodland High School, originally constructed in 1971, offers a safe and secure campus for students, staff, and visitors. The school is currently comprised of 93 classrooms, one library, one multipurpose room, one staff room, two gymnasiums, one "Little Theater" and amphitheater. Facility information is current as of October 25, 2018.

Cleaning Process

The Principal works daily with the custodial staff to ensure regular and continual maintenance of the school's physical environment.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs. At time of publication 100% of restrooms on campus were in working order.

	ry Good Repair Status (Most Recent Ye h in which data were collected: 10/25/	•

Overall Rating	Good			

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students							
	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					Standards	
Subject	Sch	ool	Dist	District		State	
	16-17	17-18	16-17	17-18	16-17	17-18	
ELA	52.0	46.0	38.0	40.0	48.0	50.0	
Math	20.0	18.0	27.0	29.0	37.0	38.0	

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
Subject	School District State				ate	
	16-17	17-18	16-17 17-18 16-17 17			
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

Pupil outcomes in the subject area of physical education

Grade	2017-18 Percent of Students Meeting Fitness Standards				
Level	4 of 6	5 of 6	6 of 6		
9	15.1	20.5	20.8		

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven

Disaggi egateu by 3t	Disagglegated by Student Groups, Grades Three through Light and Eleven					
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded		
All Students	316	304	96.20	46.38

English Learners	57	54	94.74	1.89			
Students with Disabilities	29	23	79.31	0			
Students Receiving Migrant Education Services							
Foster Youth							

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

-Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

-Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

The school district benefits from extensive support from parents and community members. Woodland High School is proud of its many opportunities for parents to volunteer their time. These opportunities include classroom and project volunteers, speakers for classes and panels, field trip chaperones, fund raising, English Learner Advisory Committee (ELAC), Padres Unidos and School Site Council membership.

Contact Information

Parents who wish to participate in Woodland Senior High School's leadership teams, school committees, or become a volunteer may contact the school office at (530) 662-4678.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students is a priority of the school staff. Students are supervised throughout the day by administrators, campus supervisors, and staff members. Visitors to the school must check in at the office and wear a visitor's badge while on campus.

Woodland High School's Site Safety Plan is reviewed and approved each spring by the School Site Council, which consists of administrators, teachers, counselors, classified staff, students, community members and parents. Key elements of the Safety Plan include procedures to address safety issues and emergency evacuation plans.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. Emergency drills are conducted on a regular basis throughout the school year, including fire, disaster and intruder drills. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available. The school safety plan is reviewed with staff each fall.

Suspensions and Expulsions						
School	2015-16	2016-17	2017-18			
Suspensions Rate	9.8	7.9	6.5			
Expulsions Rate	0.1	0.3	0.1			
District	2015-16	2016-17	2017-18			
Suspensions Rate	6.8	6.3	6.0			
Expulsions Rate	0.0	0.1	0.0			
State	2015-16	2016-17	2017-18			
Suspensions Rate	3.7	3.7	3.5			
Expulsions Rate	0.1	0.1	0.1			

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School				
Number of Full-Time Equivalent (FTE)				
Academic Counselor	3.5			
Counselor (Social/Behavioral or Career Development)				
Library Media Teacher (Librarian)				
Library Media Services Staff (Paraprofessional)	1			
Psychologist	1			
Social Worker				
Nurse	1			
Speech/Language/Hearing Specialist	1			
Resource Specialist (non-teaching)				
Other				
Average Number of Students per Staff Member				
Academic Counselor	363			

One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

	Average Class Size and Class Size Distribution (Secondary)											
	A.,	······································		Number of Classrooms*								
	AV	erage Class Si	ze	1-22 23-32 33+								
Subject	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English	26.0	24.0	25.0	17	20	17	13	20	22	28	19	16
Mathematics	23.0	20.0	27.0	9	7	8	8	6	21	10	4	16
Science	27.0	25.0	26.0	8	8	10	7	12	13	14	10	11
Social Science	26.0	24.0	25.0	12	13	12	2	19	16	28	13	15

^{*} Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Woodland Joint Unified School District provides time and resources for collaboration, planning, and professional development for all staff. Teachers at each school receive training directly related to curriculum and instruction by attending workshops and conferences that are approved by the district and administration. Staff development days enable staff members to deliver curriculum and instruction that is rigorous, challenging, and responsive to student needs. The development of a common district-wide instructional focus is allowing entry point for everyone to learn and stretch their practice. The focus of professional development has shifted to provide job-embedded coaching across multiple content areas to build capacity and focus on strengthening application of instructional strategies.

Woodland Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. During the school year and summer, staff have opportunities to complete professional development learning episodes and time to implement best practices learned. The professional growth occurring in Woodland Joint Unified School District has a heavy emphasis on collaboration with time reserved weekly for staff collaboration by sites in grade level or departmental teams under the direction of site administrators. Examples of recent Woodland Joint Unified School District professional learning include:

Balanced Literacy and Guided Reading through Accelerated Literacy Learning, TK-6 $\,$

UC Davis Math Project: Focus on Conceptual Understanding, TK-12

Ethnic Studies with the Acosta Group, Preschool-12

UC Davis History Project: Understanding the History/Social Science Framework, TK-12

Literacy for All Content Areas with Maria Losee, Grades 5-12

Restorative Practices, TK-12

Innovator Cohort: Google certification classes for teachers

FY 2016-17 Teacher and Administrative Salaries					
Category	District Amount	State Average for Districts In Same Category

Percent Diffe	erence: School	21.8	3.3			
Percent Diffe	erence: School	-6.1	-9.1			

Cells with ♦ do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

Woodland Joint Unified School District spent an average of \$11,330 to educate each student (based on 2016-17 audited financial statements).

Woodland Joint Unified School District receives State and federal categorical funding for special programs. For the 2017-2018 school year, the District received State and federal funding for the following categorical, special education, and support programs: ASES, Counseling Grant, Federal Special Education, Federal Vocational and Applied Secondary, Lottery, Agriculture Vocational Grant, Elementary Counseling Grant, Title II, Title III, Special Ed-State, Medi-Cal, Small Learning Communities, Partnership Academies

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)						
Woodland Senior High School	2014-15	2015-16	2016-17

Foster Youth	50.0	75.0	74.1		

Career Technical Education Programs

Woodland Senior High School offers nine complete CTE pathways that integrate rigorous academics, technical skills, work-based learning and support to help students develop the skills they will need to be succeed in college and careers after high school. The pathways result in industry certifications, college credit, a-g credit or a combination of the three. Programs include culinary arts, child development, welding, construction, auto repair, animal science, agriscience, floral design and agriculture mechanics. Students in these programs participate in the following leadership organizations: SkillsUSA, FCCLA and FFA. The agriculture program is a California Partnership Academy, which offers cohort scheduling and integrated academic and career curriculum. All CTE courses meet the model curriculum standards and aim to encourage critical thinking, communication skills and real-world contextualization of academic concepts.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
