

# Family Empowerment

| <b>2014-15 school year-the Parent University Program was formed to provide workshops for parents.</b> | <b>2015-16 school year focused on providing guidance to parents on how to navigate the educational system, advocate for their children, and support a strong learning environment.</b> | <b>2016-17 school year - continued effort to increase parent/family understanding of the educational system, i.e. communicating with the school, accessing resources, and exploring support strategies.</b> | <b>2017-18 school year-Parent University became Family Empowerment as it's our goal to engage with all who support our students and help facilitate learning opportunities.</b> |
|---|--|---|---|
