

# WJUSD Local Control and Accountability Plan (LCAP) Input for 2017-18

The Woodland Joint Unified School District seeks your input on our progress. We would like to know your perspective on how the district is doing in four areas: Student Achievement, Student Engagement, Basic Services, and Parent Involvement. Your feedback will help the district analyze our progress on the goals and actions outlined in our LCAP. The survey results will be reviewed by the LCAP Collaborative Committee, by District Leadership, and by the WJUSD Board of Trustees.

Please provide input and feedback on your experience in the district, whether you have a child in the district, if you are a staff member, or any other connection you might have to the district.
