## Principal's Message

Douglass Middle School is a comprehensive, traditional middle school on a traditional calendar serving 7th and 8th graders from across Woodland, CA. During the 2018-2019 school year, 897 students were enrolled.
Our mission is to consistently give our students opportunities to strategically process content using Writing, Inquiry, Collaboration, Organization, and Reading strategies ensuring ALL students will have equitable access to college and career readiness.

## Community and District Profile

Woodland is located in Yolo County and has a rich heritage of community spirit and neighborly charm. With a population of more than 56,000 people, the town is situated twenty miles from downtown Sacramento and 85 miles from San Francisco. Woodland Joint Unified School District includes seven preschools, eleven elementary schools, one charter elementary school, two middle schools, two comprehensive senior high schools, a continuation high school, and an adult school, and sserved approximately 9,782 students in the 2018-2019 school year.

Douglass Middle School's Vision and Mission Statements:
The Vision for Douglass Middle School is to produce students who will be self-sufficient, contributing members of our community and society.
Douglass's Mission is to provide a quality educational experience for all by demonstrating safety, responsibility, and respect.

Douglass's Lion Code:
Be Safe...Be Respectful...Be Responsible...

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)
Woodland Joint Unified School District held a Public Hearing on September 26, 2019 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in September 2019, regarding textbooks in use during the 2019-2020 school year.

## School Facility Conditions and Planned Improvements (Most Recent Year)

Originally constructed as Woodland High School in 1912, the facility opened as Douglass Middle School in 1971, when a new high school was built off of Beamer. Douglass offers a safe and secure campus for students, staff, and visitors. The school is currently comprised of 34 classrooms, one library, one cafeteria, one staff room, two gyms and a sport court, an industrial arts room, a music room, and a ropes course. In fall of $2010-11$ a fully operational greenhouse was opened on campus for scholastic and community use. The school also houses the district K-8 Independent Study Program. Facility information is current as of October 16, 2019.

Cleaning Process
The principal works daily with the custodial staff to ensure regular and continual maintenance of the school's physical environment.

## Maintenance and Repair

The district maintenance staff ensures that the repairs necessary to keep the school in good repair are completed in a timely manner. A computer work order process is used to ensure efficient service and highest priority for emergency repairs. At time of publication $100 \%$ of restrooms on campus were in working order.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

## Opportunities for Parental Involvement (School Year 2019-20)

The school district benefits from extensive support from parents and community members. Douglass Middle School is proud of its many opportunities for parents to volunteer their time. These opportunities include classroom and project volunteers, field trip chaperones, fund raising, English Learner Advisory Committee (ELAC), Parent Teacher Association (PTA), and School Site Council (SSC) membership.

Douglass Middle School also benefits from partnerships who make generous donations throughout the school year. The community of Woodland always supports student efforts to raise money for activities, athletics, and the arts.

## Contact Information

Parents who wish to participate in Douglass Middle School's leadership teams, school committees, or become a volunteer may contact the school office at (530) 666-2191. The school's Web site (www.dms.wjusd.org) provides a variety of resources for parents, students and community members. Parents are also encouraged to participate in community forums at the district level and are able to attend Community and Family Engagement (CAFE).

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## School Safety Plan

The safety of our students is the number one priority for our school staff. Students are supervised throughout the day by teachers, administration, campus security, custodians and para professionals. Visitors to the school must check in at the office and wear a visitor's badge while on campus at all times.

Douglass Middle School's Site Safety Plan is revised each fall by the School Site Council (plan reviewed October 11th 2018) and Safety Committee. These committees consists of administrators, staff members, parents and students. Key elements of the Safety Plan include student safety, school climate, and emergency preparedness. The plan is reviewed with staff during regular monthly staff meetings.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. Emergency drills are conducted on a regular basis throughout the school year, including semester fire evacuations and annual disaster and intruder drills. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available. The safety plan is evaluated each fall.

| :---: | :---: | :---: | :---: |
| Number of school days dedicated to Staff Development and Continuous Improvement |  |  |  |

Woodland Joint Unified School District provides time and resources for collaboration, planning, and professional development for all staff. Teachers at each school receive training directly related to curriculum and instruction by attending workshops and conferences that are approved by the district and administration. Staff development days enable staff members to deliver curriculum and instruction that is rigorous, challenging, and responsive to student needs. The development of a common district-wide instructional focus is allowing entry point for everyone to learn and stretch their practice. The focus of professional development has shifted to provide job-embedded coaching across multiple content areas to build capacity and focus on strengthening application of instructional strategies.

Woodland Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. During the school year and summer, staff have opportunities to complete professional development learning episodes and time to implement best practices learned. The professional growth occurring in Woodland Joint Unified School District has a heavy emphasis on collaboration with time reserved weekly for staff collaboration by sites in grade level or departmental teams under the direction of site administrators. Examples of recent Woodland Joint Unified School District professional learning include:

- Balanced Literacy and Guided Reading through Accelerated Literacy Learning, TK-6
- UC Davis Math Project: Focus on Conceptual Understanding, TK-12
- Ethnic Studies with the Acosta Group, Preschool-12
- UC Davis History Project: Understanding the History/Social Science Framework, TK-12
- Restorative Practices, TK-12
- Innovator Cohort: Google certification classes for teachers
- Universal Design for Learning (7-12)
- English Learner Shadowing (7-12)

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

[^0]:    One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.
