April 21, 2021

Good Evening WJUSD Families,

We are excited to have students and staff back on campus. In order for students to remain safe at school, we need everyone to continue to adhere to our COVID-19 safety guidelines. If we all do our part, we are confident that we will continue to show progress relative to the impact COVID-19 has on our community and avoid any disruptions to in-person instruction.

Please remember to follow all safety protocols for your child's safety and the safety of others. Please continue to:

- Monitor your child and yourself for illness daily
- Maintain social distancing.
- Remind your child of the need to wear a face covering at all times while at school

As a reminder, we will ask you to quarantine if your child has been exposed to an individual who has tested positive for COVID-19. If you are aware that you or a member in your household has been exposed, or is ill, please keep your child(ren) home from school, so as not to expose others.

If students experience symptoms of COVID-19 at school, we will call and ask for your child to be picked-up, returned home and stay home until they have met the CDPH criteria to return:

- At least 24 hours have passed since resolution of fever without the use of fever reducing medications;
and
- Other symptoms have improved; **and** meets **one** of the following criteria:
 - The student has a negative test for COVID-19; **or**
 - A health care provider has confirmed an alternative diagnosis; **or**
 - At least 10 days have passed since the day the symptoms first appeared.

We appreciate your efforts in helping us keep our community safe!
