STUDENT HIGHLIGHT OF THE MONTH

Julián is currently a third grader who has hearing loss which has made reading and writing a struggle. At the beginning of the school year he was having difficulty reading and was reading below grade level. Julián was provided intense services in these areas and in a short period of time his skills have increased drastically. His writing has improved and he is now reading at grade level! Great job Julián!

"The wonderful thing about finding a good support group isn't the stuff you actually say, it's all about the stuff you don't have to say. These people have walked in your shoes."
