2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

Every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

At Woodland Senior High School, faculty, staff, parents and administration are committed to supporting and providing a safe and caring learning environment for all students. We provide a rigorous, standards-based curriculum and offer Advanced Placement courses in the areas of English, Foreign Language, Mathematics, Science, Social Science and Visual and Performing Arts. All students have the opportunity to enhance their required coursework with classes from our excellent elective programs. Elective classes are offered in Agriculture, Art, Child Development, Computers, Construction, Culinary, Engineering, Music, Science, Social Science, Theater, Welding, and World Languages (Spanish).

School Profile

Woodland is located in Yolo County and has a rich heritage of community spirit and neighborly charm. With a population of more than 54,000 people, the town is situated twenty miles from downtown Sacramento and 85 miles from San Francisco. Woodland Joint Unified School District includes seven preschools, eleven elementary schools, one charter elementary school, two middle schools, two comprehensive senior high schools, a continuation high school, and an adult school, and served approximately 9,658 students in the 2020-21 school year.

The school operates on a traditional calendar, and during the 2020-21 school year about 1,309 students were enrolled in grades nine through twelve. Students are enrolled in a seven period day with an alternating week block schedule.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Woodland Joint Unified School District held a Public Hearing on September 9, 2021 and determined that each school has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams versus the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. The chart below displays data collected in August 2021, regarding textbooks in use during the 2021-2022 school year.

School Facility Conditions and Planned Improvements

Woodland High School, originally constructed in 1971, offers a safe and secure campus for students, staff, and visitors. The school is currently comprised of 93 classrooms, one library, one multipurpose room, one staff room, two gymnasiums, one "Little Theater" and amphitheater. Facility information is current as of November 20, 2021.

Cleaning Process

The Principal works daily with the custodial staff to ensure regular and continual maintenance of the school's physical environment.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs. At time of publication 100% of restrooms on campus were in working order.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 Career Technical Education Programs

Woodland High School offers CTE pathways in 6 industry sectors (Agriculture & Natural Resources, Building & Construction Trades, Education, Child Development & Family Services, Culinary and Event Management, Manufacturing & Product Development) that are aligned to the CTE model curriculum standards. Each pathway integrates rigorous academics, technical skills, work-based learning and support to help students develop the skills they will need to be successful in college and careers after high school. The pathways result in industry certifications, college credit, a-g credit or a combination of the three. All programs have an integral leadership program through an official Career Technical Student Organization and are informed by a local advisory committee that provides guidance on curriculum, technical standards and industry needs.

2020-21 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	788
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	51.4
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	26.9

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

2020-2021 Pupils Enrolled in Courses Required for UC/CSU Admission	99.77
2019-2020 Graduates Who Completed All Courses Required for UC/CSU Admission	41.7

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

The school district benefits from extensive support from parents and community members. Woodland High School is proud of its many opportunities for parents to volunteer their time. These opportunities include classroom and project volunteers, speakers for classes and panels, fund raising, English Learner Advisory Committee (ELAC) and School Site Council membership.

Student engagement is a vital part of their academic success. The Woodland High School Staff encourages student engagement in a variety of ways for all students. To support students with excellence in achievement, we offer academic support through our Community Service Learning Center which is employed with many university students that tutor in the area of their major, a Library/Media Center, teacher run academic Saturday School, study hall after school, online credit recovery courses and many teachers host tutoring sessions in their classrooms before school, at lunch and after school. We work cooperatively with the Yolo County Office of Education, Woodland Community College, University of California, Davis and California State University, Sacramento to offer our students extended and supplemental learning experiences. These experiences are provided as field trips, workshops or programs such as AVID, Puente, EAOP (Early Academic Outreach Program) and ETS (Educational Testing Services). We are committed to increasing our number of college and career ready graduates. Our extra-curricular activities include athletics in fifteen sports, yearbook, more than twenty clubs, and study halls.

Contact Information

Parents who wish to participate in Woodland Senior High School's leadership teams, school committees, or become a volunteer may contact the school office at (530) 662-4678. Parents are also encouraged to participate in community forums at the district level and are able to attend Community and Family Engagement (CAFE).

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.02	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Safety of students is a priority of the school staff. Students are supervised throughout the day by administrators, campus supervisors, and staff members. Visitors to the school must check in at the office and wear a visitor's badge while on campus.

Woodland High School's Site Safety Plan is reviewed and approved each year by the School Site Council, which consists of administrators, teachers, counselors, classified staff, students, community members and parents. Key elements of the Safety Plan include procedures to address safety issues and emergency evacuation plans. School Site Council last approved the school safety plan in the Fall of 2021.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. Emergency drills are conducted on a regular basis throughout the school year, including fire, disaster and intruder drills. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available. The school safety plan is reviewed with staff each fall.

Professional Development

Woodland Joint Unified School District provides time and resources for collaboration, planning, and professional development for all staff. Teachers at each school receive training directly related to curriculum and instruction by attending workshops and conferences that are approved by the district and administration. Staff development days enable staff members to deliver curriculum and instruction that is rigorous, challenging, and responsive to student needs. The development of a common district-wide instructional focus is allowing entry point for everyone to learn and stretch their practice. The focus of professional development has shifted to provide job-embedded coaching across multiple content areas to build capacity and focus on strengthening application of instructional strategies.

Woodland Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. During the school year and summer, staff have opportunities to complete professional development learning episodes and time to implement best practices learned. The professional growth occurring in Woodland Joint Unified School District has a heavy emphasis on collaboration with time reserved weekly for staff collaboration by sites in grade level or departmental teams under the direction of site administrators. Examples of recent Woodland Joint Unified School District professional learning include:

Universal Design for Learning, TK-12
 Ethnic Studies with the Acosta Group, Preschool-12
 English Learner Roadmap, TK-12
 Social Emotional Learning TK-12

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
