All of this information was decided based on the surveys given to stakeholders and students/parents. • Mrs. Valencia went over the SPSA plan for next year and exactly where the school money will be divided throughout the four goals that the district is using. • Laura went over all of the items from each goal and how exactly she is wanting to incorporate this into Dingle next year. <p><u>Comments:</u> Beja Springer - stated that she loved the things that are in place for next year. She stated that she has some concerns and does not vote to pass this at this time. The measures that are drivers of academics currently are attendance and suspension rate. She stated that she would like to see collaboration as a measure (essential and core). The wording needs to be more clear for the council. Annie Burkholder - states thank you for the presentation and time spent on the SPSA. I am worried that we are doing the same thing every year and expecting different results. We need changes that will gain baby steps for our students. There is nothing wrong with our school or the students, we just need a path to get to progress. Vicki Keith - stated that during LCAP, the plan was not measurable(they might have been missing the accountability piece) Vicki is concerned that</p>
