Review the goals of the SPSA that were planned last year in the SSC meetings. The intervention money for the teachers will now come from the COVID relief money that was given to the school of \$20,000.00. The other COVID relief money will be going towards Enrichment ELOG in the same amount of \$20,000.00 \$10,500.00 is in the Title I fund for intervention.</i></p> <p><i>7. When looking at the previous plan there was a reduced amount of about \$10,008.00 that we did not get for Title I money and so it was removed from the Title I amount. However, with the COVID relief money we actually have \$30,500.00 for intervention. \$5000 will be used with Accelerated readers to help encourage the students to read. This is one of the initiatives to grow our reading culture at our school. Vicki mentioned that maybe primary would not be interested in this due to the students given a wide range of reading levels. L. Valencia motioned that the money be spent on Accelerated reading. Mayra seconded the motion. Motion passed unanimously. L. Valencia motioned that most of the title 1 budget (\$20,000.00 )will be used to support reading/writing for students through hiring intervention teachers. Mayra seconded the motion. Goal is to hire someone next month. Motion passed unanimously.</i></p> <p><i>8. Beja moved to create a sub-committee to create a parent friendly monitoring. This will be brought to the next meeting agenda. Mayra asked if this could be done through parent comment and not having to create a committee. Allison stated that there is always an issue of time.</i></p>
