However, support for teachers in class is helpful. ○ Teachers would like planning & sharing time about best practices. Maybe some of the newer teachers may still feel the need of training in particular areas... ○ Need to get input from parents and students on priorities. Barbara is going to work on putting together a survey, and maybe Maria will come into classrooms to talk with students about what their priorities are. ○ Identify needs based on SBAC results. ● Tomorrow is the board meeting. Our petition renewal is up for approval. The board is concerned about our policy for priority of who attends. They want KL families first, rather than teachers' kids and siblings before other categories.
